Why Astra Health Care?

Astra Health Care, Inc. is one of seven Colorado

Home Health agencies that accredited by Community Health Accreditation Program (CHAP). We are a Medicare and Medicaid certified agency that is committed to quality of care. We use a multi-disciplinary approach. Our team of RNs, LPNs, Therapists and HHAs personally define and meet the individual goals of each client's care plan and help each client regain independence at home.

Our highly trained and skilled **Registered Nurses** perform a wide range of services for patients in the comfort of their own home. Services include medications management, round the clock on call nursing support, and patient education. They work together with physicians and social workers to develop customized home care that will enrich patients life and maintain quality of daily routines.

Our **Home Health Aids** are trained to provide assistance with activities of daily living. Patients care is monitored and supervised by registered nurses.

Our skilled and experienced **Therapists** apply custom programs that will increase mobility, strength, flexibility and daily functions.
